## MESSAGE FROM DISTRICT CHAIRMAN

**RACHANA MALPANI**  
DISTRICT CHAIRMAN  
2023-24

**Dear centennial Presidents and My Dear IW Friends,  
Warm Inner Wheel Greetings!**

December's Commitment is **Gender Equality and Transgender Support**

As December unfolds, Inner Wheel District 313 embraces a profound initiative focusing on Gender Equality and Transgender Support Programs. This commitment reflects our enduring dedication to fostering an equitable society where every individual, irrespective of their gender identity, is respected and empowered.

One impactful project is the establishment of a 'Transgender Resource Center'. This center would provide educational materials, legal assistance, and counseling services, becoming a haven for the transgender community seeking support and information.

Another significant endeavor could be organizing 'Equality Workshops' in schools and colleges. These workshops would educate young minds about gender diversity, inclusivity, and the importance of respecting all gender identities.

This initiative aims to cultivate a generation that values and upholds gender equality.

Additionally, a 'Career Empowerment Program' for transgender individuals can be a transformative step. By partnering with local businesses and vocational training institutes, this program would offer skill development courses, job placements, and entrepreneurial guidance, thereby aiding in their economic upliftment and social inclusion.

These projects, if undertaken, have the potential to make a lasting impact, echoing our theme 'Shine A Light' by illuminating paths towards a more inclusive and equitable society.

Let's step into December with the resolve to champion these initiatives, paving the way for a world where gender equality and support for all is not just an ideal, but a reality.

**Yours In Inner Wheel**  
**Rachana Malpani**  
**Centennial District Chairman**  
**Dist. 313**

## PDC मानाचा मुजरा

### Projects done by clubs during tenure as D.C.

#### Chairman's Project:

- Awareness against female foeticide was one of my thrust areas.
- Personality development and health care of our own I.W. members was another important project. On my request, almost all 1300 Inner Wheel members got their health checkups done.
- Distribution of sweets worth Rs. 1,00,000 to the under privileged during Diwali.
- Books in Braille for the visually impaired on Aids awareness.
- Up-gradation of science laboratory in tribal school.
- Construction of school for intellectually challenged children. Donation of toilets to the schools in remote areas.
- Donation of non-conventional energy machines in non-electrified areas.
- Inner Wheel news on AIR every month.

#### Any changes brought about at District Level:

- Realignment of District funds deposited in Nationalized Banks, as advised by the Association President was done with great help from PDC Dr. Sunila Raddi.
- The District Executive Committee decided to give away the old trophies to the winners of that year and passed a resolution to make new mementos in the same name and give them away. So we continued giving the prizes but in a different style.

#### Memories or Highlights:

- The year of my Chairmanship was the most eventful year of my life. Every day was a happening day. Creating and developing friendly and mentor like relationship between the individual clubs, particularly in rural areas was one of my major objectives and hopefully I succeeded in it to a great extent, as "People will forget what you said or what you did but will never forget how you made them feel."

## GOLDEN THREADS

It is a mistake to think time is going. Time is not going. Time is here until the world ends. It is you that is going. You don't waste time. Time is infinite. You waste yourself. You are finite. It is you that grow old and die. Time doesn't. So make better use of yourself before you expire And one of the worst things to do with time is comparing yourself to others.

A cow eats grass and gets fat but if dog eats grass, it will die. Never compare yourself with others. Run your own race. What works for one person may be that which will kill you. Focus on the gifts and talents God gave you and don't be envious of the blessings He gave others .

Both Lion and Shark are professional hunters, BUT A Lion cannot hunt in the Ocean and a Shark cannot hunt in the jungle That a Lion cannot hunt in the ocean doesn't make him useless and that a Shark cannot hunt in the jungle doesn't also make him useless both have their own territory where they can do well If a rose smells better than tomatoes, It doesn't mean the rose can make a better stew. Don't try to compare yourself to others. You also have your own strength, look for it and build on it. All animals that exist, were in Noah's ark. A snail is one of those animals. If God could wait long enough for snails to enter Noah's ark; His door of grace won't close till you reach your expected position in life. Never look down on yourself, keep looking up. Remember that Broken crayons still colour.

**Keep on pushing, you never can tell how close you are to your goal...!**
