Happy New Year to all!

January Theme: Youth Development & Rights - Growing Our Community

Dear Centennial Presidents and Members of Inner Wheel District 313,
Welcome to the New Year! This January, our focus is on nurturing young minds and expanding our vibrant community.

Youth Development: We're committed to empowering our future leaders by providing opportunities for learning, leadership, and personal growth. We aim to inspire them to positively impact our society.

Rights & Responsibilities: Recognizing our rights comes with understanding our responsibilities. Let's dedicate this month to promoting civic duties and ethical behavior, fostering a strong and empathetic community.

Growing Together: Our district thrives on diversity and unity. As we grow, let's warmly welcome new members and establish more clubs, ensuring everyone feels valued and motivated to contribute.

Additionally, we have the honor of hosting IIW President Trish Douglas in our district on the 18th of January at the Pune Boat Club, hosted by IWC Pune Downtown. This is a remarkable opportunity for us to showcase our unity and strength. I urge all members and club presidents to join in large numbers and make this event a success.

In this centennial year of Inner Wheel, as we shine a light on mental health and other vital causes, let's also spark leadership and responsibility in our youth. Your active participation, innovative ideas, and dedication are key to extending our Inner Wheel family and achieving remarkable milestones.

Let's make January a month of meaningful engagement, growth, and empowerment.

Yours In Inner Wheel

EUPHORIA - CENTENNIAL YEAR CELEBRATION

Euphoria, the centennial celebration organized at Yashobhumi convention centre Delhi by Inner Wheel District 301, was splendidly orchestrated under the proficient guidance of AP Priti Ji. This illustrious event, a testament to AP Priti Ji's meticulous planning and visionary leadership, has imbued us all with profound inspiration and gratitude. The event, attended by politicians and celebrities, was enriched with educational sessions, blending knowledge with entertainment effectively.

The ramp walk featuring transgender individuals alongside Femina Miss India was a deeply moving and equality-affirming spectacle. The speeches delivered by Anupriya Patel and Aditi Gorvarikar were particularly motivating. The event was further honored by the presence of IIW President Trish, whose charming personality was greatly admired, along with IIW CCCC and IIW VP Mamtaji, who also delivered inspiring speeches.

Distinguished attendees included DC Rachana Malpani, AC member Mukti Panse, and District Editor Netra Bhakkad, along with 28 other members of District 313. AP Preeti Gugnani and film actress Mahima Choudhary notably acknowledged DC Rachana Malpani for her substantial contributions as an Elit member.

A highlight of the event was the presentation of the "100 Bicycles Project," a centennial initiative by the Inner Wheel Club of Satara Camp. President Neena led the bicycle distribution, with the formal presentation conducted in the presence of the IIW President, organized by AP Pritiji.

District 313 was honored with three awards for exceptional performance at "Euphoria," recognizing their achievements in Women Empowerment, Youth Development, and Support for the Differently Able.

These prestigious awards were presented by the Honorable Chief Guest, Minister of State for Commerce & Industry, Mrs. Anupriya Patel.

This recognition reflects the committed efforts of the Centennial Presidents the Executive Committee, and the members of Inner Wheel District 313. Additionally, six clubs from the district, including IWC Pune, IWC Khopali, IWC Pune Imperial, IWC Poona Downtown, IWC Pimpri, and IWC Pune Wings, were commended for their contributions to the Association website.

AC Mukti Panse served as a judge for the Inner Wheel IDOL. President IWC Solapur, Anita Mehta, won the third prize in a 5 km marathon aimed at raising awareness for cervical cancer, presented by AP Preeti Gugnani and PIIWP Dr. Pallavi Shah. The inclusion of activities like the walkathon and flag exchange further enriched this event, adding both educational and entertaining elements.

IIW PRESIDENT VISIT - 100 HAPPY SCHOOL GOLDEN BOOKS WORLD RECORD - HISTORY BOOK INAUGURATION

Warm Inner Wheel Greetings!

It is with great pride and joy that we reflect on the momentous occasion that transpired in District 313 on January 18th. This day marked a historic visit by notable leaders from both National and International Inner Wheel circles. We had the esteemed honor of hosting IIW President Trish Douglas, Association President Priti Guganani, and IIW CCCC Sissil Mickelson. Their presence underscored the significant and impactful work we undertake with unwavering passion and dedication.

A pinnacle of this visit was the inauguration of a new educational facility for hearing-impaired students. Spearheaded by the Inner Wheel Club of Poona Downtown and established at the YMCA, this initiative represents a major advancement towards making education accessible to all. The commitment to this cause and the lively involvement of the students made a profound impression on our distinguished guests.

I extend heartfelt gratitude to PP Turan for her remarkable efforts. The depth of passion and dedication she invested in this project is truly commendable. Additionally, I am deeply touched by PIIWBD Roshanji's warmth and nurturing spirit, which have been a source of immense inspiration.

ACHIEVEMENT OF CONSTRUCTING 100 HAPPY SCHOOLS

A significant milestone was presented to our guests: the completion of 100 'happy schools' within our region. This achievement, now recognized in the Golden Book of World Records, has significantly bettered the lives of 20,600 rural students. These schools, equipped with hand wash stations, toilet blocks, digital classrooms, educational murals, uniforms, and shoes, exemplify our collective spirit and teamwork. I thank District DLCC ESO Lata Shiv Shankar for her diligent effort in collating and submitting this data to the Golden Book of World Records.

UNVEILING OF THE DISTRICT 313 HISTORY BOOK

Another momentous event was the unveiling of the District 313 history book, a task gracefully executed by IIW President Trish Douglas, Association President Priti Guganani, and other dignitaries. This book celebrates the enduring legacy and continuous evolution of our district. My congratulations to History Book Committee Chairman PIIWR Charuji, PDC Dinaz, PP Kripa, PP Nipa, and PP Jayshri tai on this remarkable achievement. Their meticulous effort has resulted in an exquisitely compiled chronicle that not only honors our past but will also guide and inspire future generations.

GRATITUDE AND ACKNOWLEDGMENT

Special acknowledgment is due to President Niyamat and Secretary Daljeet for their exceptional hospitality. Their meticulous planning ensured our guests enjoyed a comfortable and memorable stay.

The success of this event also owes much to the collective endeavor and unwavering commitment of all club members from Poona Downtown, whose contributions were vital to its success.

Thank you, PP Kripa, for your flawless role as the Master of Ceremonies.

Your meticulous approach and attention to detail made the collaboration a joyous experience.

My profound thanks also go out to the District Executive Committee (EC), Past District Chairmen (PDCs), Club Presidents, and all members of District 313. Your presence and support played a significant role in the success of this event.

With warm regards,
DC Rachana Malpani
District 313 (INDIA)

GOLDEN THREADS

WHO ARE YOU?

During one of his travels, Kalidasa felt very thirsty and looked around for water. He saw a woman drawing water from a well. He went up to her and asked her for water. She agreed to give him water, but asked him, "Who are you? Introduce yourself."

Now Kalidasa thought that an ordinary village woman was not worthy of knowing who Kalidasa was. So he said, "I am a traveler." But his lady replied, "In this world, there are only two travelers – the Sun and the Moon. Both Rise and Set every day and keep traveling perpetually."

Then Kalidasa said, "Alright then, I am a guest." The lady promptly replied, "In this world, there are only two guests – Youth and Wealth ... both are temporary and hence can only be called as guests."

Intrigued Kalidasa said, "I am a Tolerant person." Now the lady replied, "In this world, only two truly know the meaning of Tolerance – Earth and Tree. How much ever you stamp the earth or throw stones at the tree (for the fruits), both continue to nurture us."

Now Kalidasa was completely perplexed. He said, "Fine. I am a stubborn person." The lady smiled and said, "There are only two truly stubborn personalities – our nails and our hair. We keep cutting them non stop, but they continue to grow."

Kalidasa had been patient so far, but now in anger, he said, "I am a fool". Now the lady gave a wide smile and said, "There are only two kinds of fools in this world – a King who rules without having any capability or knowledge & a Minister who is a sycophant to such a King and lavishes praises on such a useless king."

Kalidasa realized that he had been outsmarted. He fell at the feet of the lady and when he touched her feet and then got up, who did he see? Mata Saraswati – the Goddess of Learning and Wisdom. She said, "Kalidasa, you are wise. But only if you know yourself do you become a Manushya (human being). A person without any awareness of self has not reached the pinnacle of being a Human."

Note: The Guru who recounted this story in His Pravachan said, "Children should become human beings & know themselves. More than teaching them how to earn more money and become rich, parents should teach them to become aware of themselves and become better Human beings.

BE THE PERSON YOU WANT TO BE.

DISTRICT CHAIRMAN'S MESSAGE

Happy New Year to all!
January Theme: Youth Development & Rights - Growing Our Community

Youth Development: With continued focus on empowering our future leaders by providing opportunities for learning, leadership, and personal growth, it's time to inspire them to proactively engage and innovate.

Rights & Responsibilities: Recognizing our rights comes with understanding our responsibilities. Let's explore the work in promoting civics, ethics and ethical behavior, ensuring a strong and responsible community.

Growing Together: Our district shines on diversity and unity. As we grow, let's warmly welcome new members and build a more vibrant, energetic, and inclusive future for all.

Actively: embrace the best of being IW members! Start December in our district with 100 of January at the Pune West Club, based in DTC Pune (E) branch. This is a wonderful opportunity for you to showcase your energy and strength. Engage all members and club presidents to give the best welcome and make the event a success.

In the essential year of Inner Wheel, as we take a light on mental health and other vital issues, let's also give leadership and responsibility to our youth. Their active participation, innovative ideas, and dedication are key to creating our Inner Wheel future and achieving remarkable milestones.

Let's make January a month of meaningful engagement, growth, and empowerment.
