MESSAGE FROM DISTRICT CHAIRMAN

RACHANA MALPANI

DISTRICT CHAIRMAN

2023-24

Dear Members of District 313,

Wishing you all a vibrant and joyous Holi! As we bask in the colors of joy and unity, let's channel this energy into empowering the women around us.

This March, under the banner of "Rising Strong - Woman Empowerment," we are called to action through our "One Member, One Project" initiative. It's a chance to infuse our community with strength and resilience, one project at a time. Here are fresh and impactful project ideas that resonate with our theme and promise to leave a lasting impact:

Community Support Circles: Create safe spaces for women to share experiences, offer mutual support, and exchange knowledge on personal and professional growth.

Career Pathway Workshops: Organize sessions focused on resume building, job search strategies, and interview preparation tailored for women looking to enter or re-enter the workforce.

Financial Literacy Programs: Empower women by offering workshops on budget management, savings, investments, and navigating financial systems.

Health and Wellness Campaigns: Initiate campaigns or workshops focused on physical and mental well-being, including stress management, nutrition, and exercise, tailored specifically for women.

Leadership and Entrepreneurship Bootcamps: Encourage women to take the lead by providing them with the tools, knowledge, and confidence to start their own businesses or take on leadership roles.

As we embark on these projects, let's remember that our collective efforts can illuminate the path to empowerment for women in our district and beyond. I look forward to witnessing the remarkable initiatives you will lead.

My Dear Inner Wheel friend

Happy Women's Day
and Happy Holi!

May the vibrant colors bring abundant happiness and joy, filling your life with beauty and warmth!

Congratulations to IWC Khopoli and IWC Panvel City for organizing the splendid event "District Conference Jiya," meticulously planned by DC Rachana Malpani. It was my pleasure to unveil the District e-Souvenir Divya, alongside AP Preeti Gugnani. Thank you immensely for the overwhelming appreciation notes. D313 hosted the 2nd AC meeting at Imagica under the able leadership of DC Rachana Malpani was a wonderful experience.

As women, we uplift each other; we are each other's strength. The association has chosen "Women Empowerment" as the theme for March. Let's plan impactful projects to enhance the lives of less fortunate women, empowering them to lead better lives.

GOLDEN THREADS

Written by Sudha Murthy,

“she writes”

"When my daughter, the elder of my two, wed and left home, I felt a part of me gone. With a daughter and a son, I know what both mean, differently. When she was in her teens I felt as if she was my "physical extension"! So when she left home to set up her own, I felt I lost a limb. Next time she came to stay with us, I was astonished how her priorities had changed. We too must've given the same shocks to our own parents!

When she said Amma,
she meant her mother-in-law, not me!

I felt she was always in a hurry to go back to her house and not stay with me for a few more days. That was the first time, it dawned on me that I have to start practising detachment with attachment. Two years after my daughter's marriage, my son left for higher studies to US.

Having experienced a child's separation once, I was better equipped emotionally. I plunged head long into various classes held in the city starting from vedanta o healing to ikebana - I just wanted to be away from home..since my husband was a 24/7 workaholic. My son used to write how he was missing my home cooked food, how he was waiting to come back to live in Chennai with us ... After a few years, he did come back and we got him married. He started living separately with his wife and we were also happy that they wanted to be independant from the beginning... But now, it was all changed!

When in the U S, he missed my cooking, now if I called him to come over with his wife for a meal, it was always some excuse like "oh, amma, we have other plans for the day, please don't mistake us if we don't drop in today"! I could see that his priorities had also changed completely..

We talk so many things and give so much advice to others, but when it comes to our own children, acceptance comes very late. Our next step is to just leave them undisturbed in every way. It was at that time, that I made the following, my 'new profile'. In all my relationships , rather interactions, I give my best and do my best to live up to what I say. My attachment with them is complete. However, I remain detached in the sense that I do not expect them to reciprocate my affection. Most importantly, I make a conscious effort , not to interfere or pass judgements on the lives they choose to lead. My concern for my near and dear ones will not fade with my detachment. If you let go of the ones you love, they will never go away – this is the beauty of attachment with detachment!

I have learnt to love and let go. This dictum has developed tolerance in me. When I let the people live the way they want to, I learn to accept them for what they are. Most importantly , I learn to tolerate the world around me and this tolerance brings in me a sense of peace and contentment. Since both my children live in Chennai, I follow this very strictly, you know why! Now I have realised that we start growing mentally much more only after the children leave the house and we have to tackle the emotional vacuum, that arises, along with age-related problems . I specially dedicate this post to my friends, who are totally dependant on their children's lives, to nurture their own selves emotionally. Please develop your own intersts, hobbies etc, however mundane they seem to be.. We must learn To love whatever we do instead of doing whatever we love !!!".

Very important to learn attachment with detachment with age.

तिला भेटले बुद्धिमत्ता,

पण सत्तेचा करून गैरवापर,

तिने पुरुषांचीच फिरवावी का स्वतंत्रता.आरक्षण
आरक्षण म्हणून पुरुषांचीच लावू नये वाट पुरुषांच्या
छाती देऊन लाटणे आणि झाडू भ्रष्ट बुद्धिमत्ता
लागली डोके वर काढू आपली संस्कृती खरी.

जिच्या हाती पाळण्याची दोरी तीच जगाचा उद्धार
करी. पण लाज शरम पडदा करी आई बहिण सून
मुलगी. वासनाचे स्वैराचार माजल भारी वासनाची
नजर सारी मुलींना संस्कार देणे बंद केले आणि
काळजाचे थर काप उडाले.

जगणे ही कठीण झाले ,आणि पुन्हा चर्चला उधाण
आले. आज एक मेली उद्या आणखीन एक मरेल.

पण हे रोखण्यासाठी उपाययोजना कधी करेन नुसते
निदर्शने नुसते आंदोलन नुसते मोर्चे निघतील पण
रोखण्याचे उपाय कधीही सुचतील दररोज मरण्यापेक्षा
स्त्री का मरण पत्करेल.

District Chairman's Message

Dear Members of District 313,

Wishing you all a vibrant and joyous March! As we look to the colors of joy and positivity, let's channel this energy into empowering the women around us.

This March, under the banner of "Shine & Grow - Women Empowerment," we are called to action through our "The Mantra, One Dream" initiative. It's a chance to infuse our community with strength and confidence, one project at a time. Here are five impactful project ideas that resonate with our theme and promise to have a lasting impact:

- Community Support Circle:** Create safe spaces for women to share experiences, offer mutual support, and exchange knowledge on personal and professional growth.
- Career Pathway Workshops:** Organize sessions focused on resume building, job search strategies, and interview preparation tailored for women looking to enter new career horizons.
- Financial Literacy Programs:** Empower women by offering workshops on budget management, savings, investments, and understanding financial systems.
- Health and Wellness Campaigns:** Initiate campaigns on well-being, focused on physical and mental well-being, including stress management, nutrition, and exercise, tailored specifically for women.
- Leadership and Entrepreneurship Bootcamps:** Encourage women to take the lead by providing them with the tools, knowledge, and confidence to start their own business or take on leadership roles.

As we embark on these projects, let's remember that our collective effort can illuminate the path to empowerment for women in our district and beyond. Thank you for your unwavering commitment to making a difference you will lead.

Warm regards,
Rachana Malpani
