MESSAGE FROM DISTRICT CHAIRMAN

RACHANA MALPANI
DISTRICT CHAIRMAN
2023-24

Dear IW Members of Inner Wheel District 313,

Firstly, warm Diwali wishes to you and your families. May the Festival of Lights bring you joy, prosperity, and illuminate your lives with endless possibilities.

I trust you are all in good health and feeling motivated. As we roll into another month of community service, let's zero in on our theme: Supporting Differently Abled Individuals.

It's uplifting to see the work we've done to make our communities better. This month, let's also reach out to help those who experience life differently. Our small acts can create a big impact and help include everyone in society.

Simple Project Ideas:

- 1. Skill Training:** Work with local organizations to offer job-related training for people with different abilities.
- 2. Check for Accessibility:** Partner with experts to see how public places can be made more accessible. Push for any needed changes.
- 3. Spreading Awareness:** Use social media or other platforms to inform people about the challenges and abilities of differently-abled persons.

As we celebrate Diwali, let's light a lamp of kindness and inclusion. Wishing you all the best for the festivities.

Looking forward to another month of making a difference. Let's shine a light where it's needed most.

Yours sincerely,
Rachana Malpani
Centennial District Chairman,

MESSAGE FROM DISTRICT EDITOR

NETRA BHAKKAD
DISTRICT EDITOR
2023-24

Dear Inner Wheel Members,
Happy Diwali 🪔

As we embrace the spirit of November, a month filled with significance and opportunity, let's come together to make a real difference in the lives of those around us.

On the 7th, as we mark Cancer Awareness Day, let's stand as beacons of support by organizing cancer detection camps and engaging, informative lectures. Let's spread awareness and hope, showing our community that they are not alone in their fight against this challenging disease.

Then, on the 14th, as we celebrate Children's Day, let's embrace the joy of every child, including those who may be differently-abled or in need of extra care. Let's extend our warmth to orphaned children, ensuring that they feel loved and supported within our community.

And as Diwali approaches, let's brighten the lives of the less fortunate, bringing the radiant glow of hope and happiness through our collective acts of kindness. Let's shine a light in their world with the joy and warmth that this festival represents, reminding them that they are not forgotten.

Together, let's make this November a month of empathy, awareness, and heartfelt generosity, spreading the message of love and support to all those around us.

Best regards,
Netra Bhakkad

Donation of water cooler and RO filter to Paraplegic rehabilitation centre
Support to Differently abled
Paraplegic rehabilitation centre, Khadki, Pune
Our club conducted a project at the paraplegic rehabilitation centre, Khadki. The centre is for soldiers who have been injured on duty, in action and have lost the use of their legs or arms or in some cases both arms and legs. The rehabilitation centre cares for the disabled soldiers by looking after their physical, mental and social needs. As a part of rehabilitation and as a means to make them financially independent, the centre runs a workshop wherein the soldiers assemble computer chips, spark plugs, etc. Our club donated a water cooler along with RO filter and water leveler which was installed in the workshop. This was much needed by the centre as they have around 50 soldiers and 10 wives of disabled soldiers working there.
Expenses- ₹ 30,000

Projects on Aids, Cancer, and Rain water harvesting; Child and Youth Development, Anti pollution and Help to Senior citizens were important projects we had undertaken. We had decided to concentrate on all these six project avenues in the beginning of the year itself. Projects to dissuade people from aborting 'female foetus 'were organized in the District with great vigor to eradicate this anti- social practice.

Any additional District Event Organized:

- District Treasurers' Workshop: 'Arthamanthan' hosted by I.W.C. Pune Uptown.
- District I.S.O. Meet, 'Mehfil' hosted by I.W.C. Panvel.
-

Any Inter-District, Association, International Event Attended

- Chairmen's Workshop at Nasik Hosted by I.W. Dist.314.
- Attended 2 A.C. Meet at Bhubaneshwar

Memories or Highlights:

- The year of my Chairmanship was a memorable one in my life. In spite of unforeseen circumstances such as an accident leading to fracture, a birth and a death in the family and other personal problems I was able to fulfill all my commitments as District Chairman. The help of Inner Wheel friends and co-operation of EC members and PDCs gave me the strength and confidence to carry out the activities and visits to 40 clubs. I gained love and laurels from all the club members who worked with me and I cherish to this day the love and respect I earned from them. I received whole hearted co-operation from friends like Padmaja, Smita, Sharmila and Sunanda and also the guidance and direction from a dynamic person like Charu Chinchankar, which I valued greatly. Truly Inner Wheel is one of the greatest International Organisations existing today.

मनुष्य की कीमत

लोहे की दुकान में अपने पिता के साथ काम कर रहे एक बालक ने अचानक ही अपने पिता से पुछा -
 “पिताजी इस दुनिया में मनुष्य की क्या कीमत होती है ?”
 पिताजी एक छोटे से बच्चे से ऐसा गंभीर सवाल सुन कर हैरान रह गये.

फिर वे बोले “बेटे एक मनुष्य की कीमत आंकना बहुत मुश्किल है, वो तो अनमोल है.”
 बालक - क्या सभी उतना ही कीमती और महत्त्वपूर्ण हैं ?
 पिताजी - हाँ बेटे.

बालक कुछ समझा नहीं उसने फिर सवाल किया - तो फिर इस दुनिया मे कोई गरीब तो कोई अमीर क्यों है? किसी की कम रिस्पेक्ट तो किसी की ज्यादा क्यों होती है?
 सवाल सुनकर पिताजी कुछ देर तक शांत रहे और फिर बालक से स्टोर रूम में पड़ा एक लोहे का रॉड लाने को कहा.

रॉड लाते ही पिताजी ने पुछा - इसकी क्या कीमत होगी?
 बालक - 200 रूपये.
 पिताजी - अगर मैं इसके बहुत से छोटे-छोटे कील बना दू तो इसकी क्या कीमत हो जायेगी ?

बालक कुछ देर सोच कर बोला - तब तो ये और महंगा बिकेगा लगभग 1000 रूपये का .
 पिताजी - अगर मैं इस लोहे से घड़ी के बहुत सारे स्पिंग बना दूँ तो? बालक कुछ देर गणना करता रहा और फिर एकदम से उत्साहित होकर बोला ” तब तो इसकी कीमत बहुत ज्यादा हो जायेगी.”

फिर पिताजी उसे समझाते हुए बोले - “ठीक इसी तरह मनुष्य की कीमत इसमे नहीं है की अभी वो क्या है, बल्की इसमे है कि वो अपने आप को क्या बना सकता है.”
 बालक अपने पिता की बात समझ चुका था
