DISTRICT CHAIRMAN
2023-24

Dear Centennial Presidents, all Inner Wheel members,
Best wishes for Navratri!
May Goddess Amba bless everyone with her choicest blessings.

For the month of October, the Association has provided a theme: **"Adopt and cultivate a commitment to senior citizens."** In this regard, I am sharing a few project suggestions that all clubs can consider planning and conducting next month.

Please note that these are merely guidelines and not mandatory; you are welcome to continue with your pre-planned projects. Additionally, you may choose to incorporate one of the following ideas:

- 1. Senior Wellness Clinics:** Establish regular wellness clinics in collaboration with local healthcare providers to offer health check-ups, vaccinations, and health education to senior citizens.
- 2. Adopt a Senior Program:** Create a program where Inner Wheel Clubs "adopt" individual senior citizens, providing companionship, assistance with household tasks, and ensuring their well-being.
- 3. Senior Technology Training:** Organize workshops to teach senior citizens how to use smartphones, computers, and the internet, enabling them to stay connected with their families and the world.
- 4. Elderly Nutrition Support:** Distribute food packages or organize community meals for seniors, especially those living alone or in low-income situations.
- 5. Senior Recreational Activities:** Arrange recreational events, such as senior-friendly exercise classes, art workshops, or game nights, to promote physical and mental well-being.
- 6. Senior Housing Renovation:** Collaborate with local organizations to renovate or repair housing for senior citizens in need, making their living conditions safer and more comfortable.
- 7. Elderly Safety Workshops:** Host workshops on fall prevention, emergency preparedness, and home safety to reduce accidents among seniors.
- 8. Storytelling and Memoir Projects:** Encourage seniors to share their life stories and experiences through writing or oral history projects, preserving their wisdom and memories.
- 9. Inter-generational Programs :** Organize events that bring together seniors and youth, fostering connections and mutual learning.
- 10. Dementia Support Groups:** Establish support groups for seniors and their families dealing with dementia or Alzheimer's disease.
- 11. Senior Volunteer Corps:** Encourage active seniors to volunteer within their communities, utilizing their skills and experiences to help others.
- 12. Community Garden for Seniors:** Create accessible gardens where seniors can engage in therapeutic gardening and socialize with fellow gardeners.

I hope these ideas inspire meaningful projects that will strengthen our commitment to supporting senior citizens in the district.

Thank you for your dedication to this important cause.

Rachana Malpani

त्वं हि दुर्गा । सेवायां उत्तमं शोभना ॥

दे वीची अनेक रूपे आहेत. गौरी, दुर्गा, चण्डिका. पण तरीही माया हा तिचा स्वामीभाव आहे. म्हणूनच आपण तिला मात म्हणतो. चुकल्या मातल्यांना, अडल्या नडल्यांना समजुतीने ती आपल्या पोटाशी घेते. त्यांची मातृत्वही ऐकते, भाविकांना आधार देते. सर्वोत्ती मनवाने वागते. सौभनातईही तशीच. आई होऊ घातलेल्यांसाठीही आणि वंचितांसाठी त्या नेहवीच धावत असतात. घनवेल येथे पॅन्माऊन्ट हॉस्पिटलमध्ये त्या रुग्णांवर उपचार करतात. त्याचबरोबर विविध सामाजिक संस्थांशी संलग्न असून सामाजिक बांधिलकी जपण्याचेही बंधन करतात. त्यातूनच वंचितांसाठी वेळोवेळी अधिक हुताचार त्या लावत नाहीत तर स्वतः अनेक किबिरे पत्करण्यात आणि शिक्षण देण्यात त्या अग्रगणीवर असतात. 'कुमन अर्जिमाइकेलन'साठी त्या अधिक वेळ देतात. त्या म्हणतात, बीरोगनाच्या असल्याने महिलांच्या अडचणी काढण्यासाठी जबाब्यता आहेत. त्या, उन्निमिया तपासणी आणि महिलांचे कर्तवीर्य तपासणीची किबिरे घेत असतात. महिलांमध्ये सविकल कर्तवीर्याचे प्रमाण जास्त असते तसेच ती लगेच लक्षातही येत नाही. परंतु त्यावर सस उपलब्ध आहे. हे आजही तुरुकित महिलांसाठी माहित नसते. हे लसकिरण त्यांच्या संस्थेमाफेत त्या मोफत वसतात.

'हेवी स्कूल' म्हणजेच 'अनंटी हाऊस' हा त्यांचा वेगळा प्रकल्प आहे. खेड्यापाकळात जाऊन घालिका किंवा परिचदेव्या शाळांत जिथे शैक्षणिक सामग्रीची कमतरता असते, तिथे सुविधा पुरवणे हा मुळाव्या उद्देश. काही शाळांमध्ये तर शिक्षकांचीही कमतरता असते. तेव्हा सातवीपर्यंतच्या कनिष्ठ जाऊन मुलांना शिक्षण द्यावयाचेही (पान ६ बर)»

- Since I liked to work in the framework of Inner wheel norms, I meticulously observed all the formalities and rules. So my tenure as DC went off very smoothly. All the Presidents were also vigilant and we had 99% voting by them at District, Association and at International levels. I was strict, in observing norms and disqualified applications for awards received after the prescribed date..

Memories or Highlights:

When I go back 30 years and remember,
A shy home-bird became an I. W. member,
Like a magic wand my life changed,
I became bold and confident, though I am aged.

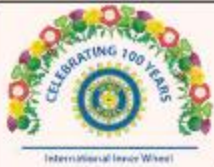

Social service through Inner Wheel gives me solace,
To help the needy, I give preference, the first place,
With lots of people I developed friendship,
For Inner wheel advocates Universal Sisterhood and Fellowship.

InnerWheel taught me value of adjustment
I always work with members with commitment,
Time-management, regularity and discipline,
That has become part of my life-line.

Travelling is my great passion,
Attend most functions of District and Association,
Thanks Inner Wheel for showing me new Direction,
Taking me to a wider Horizon.

May God Bless Us All & Inner Wheel.
Let's all see our District turn from Silver to Gold.

- It was decided that a PDC would be a part of the Award Committee meeting and her name would be announced later, to prevent clubs from feeling there was any partiality in giving awards.

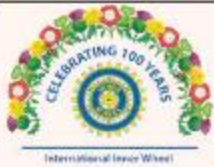

Memories or Highlights:

- As Chairman of our prestigious and vast District, I enjoyed every moment of travelling to all the clubs and getting a chance to see all the beautiful parts of the interior part of our district, which otherwise I would never have seen. The Inner Wheel members welcomed me with open arms and homes. •
- The experience and confidence I got as Co-Chairman for the 10th Triennial in Feb. 2004. I will always treasure the beautiful memories of working together with the Triennial Committee.

Interesting Details :

I will never forget one incident which happened during my travel from Jalna to Sailu. While I was reading in the car, my driver filled up diesel instead of petrol and we had to wait for almost an hour to empty the diesel completely before filling in the petrol. I thank the mobile phone, as I was able to communicate to the President of my plight on the Highway and of my reaching late by about thirty minutes.

Memories or Highlights:

It was a memorable year with great achievements. Frankly speaking, I was purely a house wife before I joined Inner Wheel. I.W. taught me everything. I was very shy. I. W. made me bold. I never spoke in public; I.W. gave me courage for Public Speaking. My Year as President was a great learning experience. I began to think positively and developed a positive attitude to life. I learnt Time Management and the art of making adjustments.

GOLDEN THREADS

एक आदमी एक जंगल से जा रहा होता है उसके पास एक गधा होता है थोड़ी दूर चलने के बाद वह गधा एक गड्ढे में गिर जाता है वह गधा काफी कोशिश करता है उस गड्ढे से बहार निकलने की लेकिन काफी मेहनत के बाद भी वह गधा उस गड्ढे से बहार निकल ही नहीं पा रहा होता है।

उस आदमी ने भी काफी अलग-अलग उपाए सोचे गधे को गड्ढे से बहार निकालने के लिए लेकिन वह आदमी हार मानकर यह सोच लेता है की उसका गधा उस गड्ढे से बहार नहीं निकल सकता।

वह आदमी ज्यादा सोच नहीं पाता है और यह विचार बनाता है की इस गधे को अब इसी गड्ढे में दफ़न कर देना चाहिए ताकि इसे कोई जानवर मार कर खा ना ले। आदमी को थोड़ी ही दूर मिट्टी का एक ढेर दिखाई देता है वह आदमी मिट्टी के ढेर से मिट्टी लाकर उस गधे के ऊपर डालता है लेकिन कमाल की बात तो ये होती है गधा दफ़न होने की बजाये मिट्टी के सहारे ऊपर आने लगता है।

यह देखकर वह आदमी खुश होता है और सोचता है की मैं तो इसे दफ़न करने वाला था अब अगर मैं इस गड्ढे को ही भर दू तो मेरा गधा ऊपर आ जायेगा। इसी प्रकार वह आदमी उस गड्ढे में मिट्टी डालता है और गधा ऊपर आ जाता है।

दोस्तों इसी तरह जब हमारे जीवन में भी कई दिक्कत या परेशानी आती है तो उसे हम सिर्फ अपने दिमाग में ही सोचते रहते है की इस प्रॉब्लम को हम कैसे सॉल्व करे और दिमाग में ही सोच लेते है की अब ये प्रॉब्लम सॉल्व नहीं होगा और उसे छोड़ देते है।

हमे उस प्रॉब्लम के लिए एक्शन लेना होगा और जब हम उसे एक्चुअल में करने जायेंगे तो हमें और भी सारे आइडियाज आने लगेंगे की कैसे करे और वह एकदम आसानी से हो जायेगा। तो आशा करते है की आपको इस कहानी से अच्छी सिख मिली होगी और आपके अगर आप किसी प्रॉब्लम में है तो सिर्फ सोचिये मत उस पर एक्शन लीजिये और जितना आप उस प्रॉब्लम के बारे में सोच रहे ही की कठिन होगा जब आप करने जायेंगे तो वह एकदम सरल हो जायेगा।
