Today, as we celebrate this silver jubilee, we reflect on our past, recognize our present, and look forward to a promising future.

As we celebrate this milestone, we also recognize that our work is far from over. The world continues to face challenges, and our role as members of the Inner Wheel Club is more crucial than ever. MESSAGE FROM DIST. EDITOR

It is an absolute privilege for me to work with Inner Wheel District 324 this year and to build a strong editorial team.

Our club's legacy as the world's second-largest women's organization has empowered women to support and collaborate with one another daily. Our mission is to connect women around the world through our publications and encourage them to join our Inner Wheel family.

The club's publications are the voice of our organization, showcasing our actions and inspiring society on a large scale. No matter how hard we work, our efforts are futile if our voice isn't strong enough to support our views. As editors, we are the voice of Inner Wheel. We have been entrusted with the responsibility to communicate our work and to inspire others to contribute, either directly or through us, to society, fulfilling our motto, "Friendship & Service."

Let us come together to celebrate ourselves and celebrate Inner Wheel!

Heart beat of Humanity is more than a mere theme. We, collectively, brighten each other's futures as we feel our Heart beat for Humanity. This year IW goal - CELEBRATE given by Association President Sunita Jain. So let us celebrate ourselves and Inner Wheel.

PRIYAM KASERA
CLUB SECRETARY(2023-24)

Beauty is a concept that has fascinated humans for centuries. It is often perceived as a combination of qualities such as shape, color or forms that pleases the aesthetic senses particularly the sight. However beauty extends beyond mere physical appearances. Beauty is more than just aesthetics, it is about enhancing what is naturally beautiful, improving skin health, creating art with makeup, crafting perfect hairstyles and ultimately boosting the inner confidence of others.
